Township Register

COVERING WASHINGTON TOWNSHIP, ALAMEDA COUNTY, CALIFORNIA, INCLUDING
ALVARADO, CENTERVILLE, DECOTO, IRVINGTON, MISSION SAN JOSE, NEWARK, NILES, WARM SPRINGS

FIFTY-FOUR YEARS OLD | THE TOWNSHIP REGISTER, NILES, CALIFORNIA | FRIDAY, MAY 8, 1942 | NUMBER 19

TOWNSHIP TIRE RATION BOARD MOVES TO NILES

By reason of the fact that the two members remaining on the Washington Township Rationing Board live in Niles the office was moved on Wednesday from the Justice courtroom in Centerville to the former telephone company office at the west end of Main street in Niles.

George C. Roeding Jr. remains president, Mrs. William H. Ford a member of the board, with a third member to be named succeeding J. R. Blacow of Alvarado who had to resign because of poor health.

The board is authorized to receive applications for the purchase of tires, tubes and recaps; automobiles to certain classes of users, and sugar to commercial and private users who failed to register at the proper times and places.

The board's office will be open during the following hours, with Mrs. Esther Burtch in charge as secretary:

Daily from 8 to 12 and 1 to 5 o'clock, except Wednesdays, when it will be closed from 12 to 3 o'clock while the weekly board meeting is held;

Saturdays from 8 a.m. to 12 noon.

The Board's official designation is "Calif.1-5, Niles."

The monthly quotas of tires are becoming smaller each month, Mr. Roeding points out, requiring people to take the utmost care of their tires and reduce driving and club together as much as possible. The monthly passenger car, motorcycle and light truck quotas are apportioned on a basis of population in the areas served by the board; the heavy truck quota is apportioned on the basis of the Township's truck registration in its ratio to the total county registration.

The quotas for May follow:

Cars, motorcycles and light trucks: 6 new tires, 25 new tubes and 43 retreads;

Trucks and busses: 35 new tires, 47 tubes and 61 retreads.

In an effort to draw to the attention of large industrial concerns the increasing seriousness of the rubber shortages Mr. Roeding has sent the following letter to all large organizations in this Township:

Rationing Board Calif 1-5
Centerville, California
May 1, 1942

TO WHOM IT MAY CONCERN:

We are writing concerning your employees who have applied and probably will apply in the near future, for retreaded tires.

We have been advised by the State Rationing Board that the tire situation is growing worse and that we must try and get the cooperation of all industries to help conserve tires in every way possible. They have asked that we suggest to you that you try and get men who are running either a passenger car or pickup truck to carry four or five people with them to and from work, arranging their shifts so that this can be done.

You would be doing your country a valuable service if you would arrange to run a bus or truck to convey employees to and from work so that tires and retreads would be available for the most urgent applications.

You fully realize everyone feels that their work is urgent and the rationing board has a difficult problem with such limited quantities to distribute and it is going to be impossible to grant most applications, and therefore, we are appealing to you to help us in working this matter out to be a satisfactory conclusion for all concerned.

Very truly yours,
RATIONING BOARD CALIF 1-5
George C. Roeding Jr.

America's attacking on both the fighting front and the home front today!
We're giving the Axis a bitter taste of what's to come.
We're fighting the inflationary 6th column that blows prices sky high here at home, too.
And every one of us who saves at least 10% of his pay in War Bonds is an important soldier in the attack!
Join the attack yourself!

"DROUGHT" ENDS!

Our long, two-day drought ended suddenly last Thursday afternoon when a cold wind and a threatening sky brought another deluge of rain hereabouts. It wasn't wanted or needed, but along it came—just enough to rile up nearby streams and muddy them for opening day fishing next morning.

ALL JAPANESE LEAVE TOWNSHIP SATURDAY NOON!

Uniformed military police from the Presidio of San Francisco swarmed over Washington Township communities in their funny little O.D. go-carts Sunday afternoon as they hastily posted half sheets ordering all Township Japanese to register Monday and Tuesday for evacuation, at an address in Hayward.

All Japanese of our communities are to leave for the Tanforan Assembly Center by Saturday noon of this week, according to Civilian Exclusion Order No. 34, dated and posted on Sunday, May 3 and issued by Lieut. General John L. De Witt.

All Japanese were required to register as families or single individuals, at 920 C street in Hayward Monday and Tuesday. All Japanese are to be evacuated to the Tanforan Assembly Center by 12 o'clock noon of this Saturday.

Any Japanese persons found in this Township after 12 o'clock Saturday noon will be subject to immediate apprehension and internment, the order states.

Evacuation of Coastal Japanese to inland reception centers has now passed the 35,000 mark, and evacuation from various areas is continuing daily.

Sayonara!

MEN SHOULD GIVE THEIR ORDER NOS. WHEN WRITING BOARD

Draft registrants who send change of address notices to Draft Board No. 75 at Niles should include with this information their Order Number, and the number of the draft with which they signed up, that is, whether the first, second or third.

Men who signed up in the fourth registration on April 27 should give their serial numbers, if they have one. This Order and Registration number should accompany all correspondence addressed to the local board, to save time in the office determining to which of the four registered groups the correspondent belongs.

Every registrant knows his own Order number and in which of the first three registrations he signed up and it takes him but a moment to include this information when writing the Niles board.

Absence of this necessary key information occasions considerable work in the board's office, determining in which group the correspondent belongs.

This request was sent this newspaper by the board at Niles this week.

Miss Doris Von Seidlitz and John Berchem, popular business man of Niles, are to be married on Friday, May 29 at the Corpus Christi Church in Niles, this office is informed.

A MESSAGE FROM THE SECRETARY OF THE TREASURY

THE SECRETARY OF THE TREASURY
WASHINGTON

May 1, 1942

TO THE PEOPLE OF CALIFORNIA:

This week a new campaign for the sale of War Bonds and Savings Stamps is under way throughout the Nation. It is the War Bond Quota Campaign.

It is urgently necessary that you double the rate at which you are now buying War Bonds and Stamps. This will mean the sale direct to individual Americans of War Bonds and Stamps to the amount of not less than one billion dollars every month.

One billion dollars a month is the National quota. It is equal to one-tenth the combined incomes of all Americans.

This money is needed to buy the tools of war for your fighting forces. It will not pay for all of them. Our war expenditures now are at the rate of about FOUR BILLIONS a month, and they are growing daily. But a billion dollars a month direct from the people will make all-out production possible. Without it we cannot do our best; without it we cannot put forth our full effort.

It is desperately needed for another reason. We can't fight a war and at the same time live and spend as usual. There are not enough goods to go around -- the things we buy with money. If we go on spending at the 1941 scale, we'll be robbing the fighting man to add to our own comfort or pleasure. We'll be driving up the cost of living for all of us. We'll be imposing dire hardships on our neighbors.

What is asked of you is ten per cent of your earnings -- a tithe for Liberty. It is not a tax; it is not even a contribution; it is a loan at interest, for your use and protection later.

Your Government asks you to cut down your expenditures, TO SAVE -- your boys on the firing line and in the training camps, through your Government, ask you to save so that they may have what they need to win YOUR WAR for you -- America asks you to save; to SAVE TO WIN THE WAR; to buy War Bonds and Stamps up to not less than ten per cent of your income.

Is Liberty worth it? Is Democracy worth it? Is America worth it? I think I know your answer.

Sincerely,
H. Morgenthau Jr.

FOR VICTORY BUY UNITED STATES WAR BONDS AND STAMPS

The above letter was sent to this newspaper by Secretary Morgenthau in Washington. We publish it in the interest of the War Bond Quota Campaign and earnestly recommend that all our readers do their share in the tremendous job ahead of financing the War effort.

JAPANESE GIVE CASH SUMS TO CIVIC ACTIVITIES

CENTERVILLE — In anticipation of their expected removal from the Coastal region this Saturday, the Washington Township chapter of the Japanese-American Citizenship League last week presented District Superintendent A. J. Rathbone at Washington High School with a check of $250 with which to carry on the annual oratorical awards for the next seven years.

In addition the group gave a check for $100 to the Township U. S.O. drive committee, in lieu of donations which would have been made by the Japanese residents had they still been here when the annual drive begins next Monday.

These two gestures of solid American citizenship are very praise worthy, coming as it does from a group who are being innocently hurt because of the war, through no fault of their own. The local League has always been generous in its support of Red Cross and other public spirited activities.

The presentation of these sums was made by Vernon Ichisaki, president and Harry Konda, past president, both of whom are well respected locally.

The citizenship oratorical contest has been held for the past four years supported by the J.A.C.L. dedicated to the memory of the late E. Marie Sandholt, former dean of girls at the high school here.

The money provides a permanent school trophy and three individual trophies each year for declamations on citizenship.

NORMAN PARKS BUYS ANOTHER NEWSPAPER

Friends of Norman H. Parks of Redlands, former publisher of The Township Register will be pleased to learn he has purchased The Date Palm published at Indio in the Imperial Valley and took possession last week. Years seem to be no obstacle to Mr. Park's enterprise! Mrs. Park's health requires a warm climate and the Imperial Valley, which is hotter than the San Joaquin, certainly should fill the bill. Success in your new field, Podner!

Bill Pine of Niles caught a 20 inch trout on opening day in waters near Niles, it is reported here.

NILES CHAMBER LISTS TWENTY ONE PAID MEMBERS

Twenty-one firms and individuals have paid their 1942 dues to the Niles Chamber of Commerce, it was reported at Monday's luncheon meeting held at the City of Florence Restaurant.

Following is the list of those paid:

Associated Oil Company
California Pottery Company
E. E. Dias
The Ellsworth Company
Joe D. Ferry
The Garden Basket
Dr. E. C. Grau
P. C. Hansen Lumber Company
Joe's Corner
The Kraftile Company
Henry Miller Cleaning Service
Marjorie Moore
Niles Meat Market
Pacific Coast Aggregates
Pacific Gas and Electric Company
Pacific States Steel Corporation
Public Utilities California Corporation.
Rose City Pottery Company
Safeway Stores, Inc.
Solon Bros.
Southern Pacfic Railroad Company
O. A. Walpert

The list is far from complete. Members are engaged now in collecting other members' dues and it is hoped new members can be obtained. Some of the larger concerns listed above maintain more than one membership.

Discussion was held at Monday's meeting regarding the War Bond drive being held nationally this month.

DOCTOR ENLISTS

Serafine A. Lemos, son of Mr. and Mrs. Lemos of Centerville, reported on May 14, 1942 to the United States Navy Medical Department. He is a graduate of the California Chiropractic College. Dr. Lemos enlisted in the Navy four months ago, but was given sufficient time to graduate, write his state board examination, and receive his state license before being called into active service. He is a member of the Lambda Chi Beta honorary Fraternity for Drugless physicians.

Miss Louise Ingliss of Lockeford, teacher at the Niles Grammar School for many years, visited friends here last Thursday and Friday.

SPECIAL EXERCISES

Special graduation exercises were held Wednesday afternoon at 4:30 o'clock in the Washington Union High School auditorium for the 15 Japanese boy and girl seniors who could not attend the regular commencement exercises next month because of their forced evacuation this Saturday at noon from Washington Township.

FIFTH BLACKOUT OCCURS HERE SUNDAY NIGHT

Fire Chiefs and Air Raid Wardens of our Township got a real workout Sunday night at 11:24 p.m. when the Sheriff's office at Hayward phoned a "blackout, red!" flash to local fire chiefs.

Before the siren at the Niles firehouse ended its full minute of uproar the town of Niles was "wiped off the map" so far as any lights were concerned. A good many people slept through it, to learn of the event next morning from their neighbors or their radio.

A big freight came into Niles while the siren was still sounding and the locomotive doused its piercing beam in a jiffy. Only a glow in the sky northwest of Niles remained to show where human beings lived and worked.

This was the fifth blackout ordered here since war began; the first two occurred the first week of the war, the third on January 3, the fourth on February 18 and the fifth on May 3.

The all-clear was sounded at 12:03 Monday a.m., the blackout having lasted a little more than 40 minutes. The morning papers and radios reported as usual that an "unidentified target had been discovered to be friendly," and that was all.

RED CROSS THANKS WOMEN WORKERS; SEWING ROOMS CLOSED

The Red Cross sewing rooms in Washington Township have closed temporarily as there is no more work owing to a shortage of material.

During the past year the various groups in the township have made 24,325 garments.

We want to thank the women of the township who have worked so faithfully for their hearty cooperation. When we have more work the groups will be notified through the local papers and by telephone.

Georgietta G. Jones, General Chairman of Red Cross Sewing in Washington Township.

Evelyn Waltenberger, Assistant Chairman.

Coming Events

FRIDAY

2 p. m. Mother's Day Tea given by Girls' League at Washington High school.

8 p. m. Toyon Berries fashion tea at Country Clubhouse, Centerville

SATURDAY

Annual meeting, Country Club of Washington Township at Centerville

Elementary School field day at Washington High school.

8:30 p. m. Benefit dance, Woodmen of the World at Newark Pavilion.

SUNDAY

MOTHER'S DAY services at all Churches.

MONDAY

7 p. m. Business and Professional Women's dinner and installation of officers at Niles Congregational Church.

U. S. O. drive begins in Washington Township.

TUESDAY

7:30 p. m. Civilian Defense demonstration at Alvarado Grammar school. Citizens urged to attend.

PLANS DISCUSSED FOR U. S. O. DRIVE; STARTS MONDAY

Organization plans for the second annual United Service Organization drive which starts over the nation next Monday, were discussed at a meeting held in the Memorial Building at Niles last Friday evening. Present were a national and a state U.S.O. representative and civic leaders from Niles, Irvington, Warm Springs, Livermore and Hayward.

According to Don Leidig of Hayward, chairman of last year's very successful drive in that city, service men on leave in strange areas use the U.S.O. hut as their information center and suggested that large concerns be solicited in advance of the public drive.

National U.S.O. Representative Alexander said the community committees should be made permanent the same as Red Cross committees. He said the Red Cross and U.S.O. served the men in different ways: the Red Cross taking care of the man in camp and his dependents elsewhere, in emergency; the U.S.O. serves the man in service when he is on leave.

There are 92 U.S.O. huts now functioning in California, which leads the nation, with 81 functioning in Texas. In addition, some huts have to maintain mobile units to serve small groups of service men stationed as isolated points. These men on outside posts are provided with cigarettes, candy and writing paper by the mobile units.

Last year, when the U.S.O. idea was "hatched" to take the place of the work performed in the last war by the Y.M.C.A. and the Salvation Army overseas, $10,500,000 was raised to equip 341 recreation units to serve and army of 1,200,000 men.

This year $32 million is needed to supply 74 installations for an army of 2,500,000 men. Next year one thousand units will be needed at home and abroad to take care of the recreational facilities for an army of four million men.

The U. S. O. lost two recreation centers with the fall of Singapore and two more when Manila fell.

Alameda County's quota last year was $90,675 which was handily raised. Its quota this year is $220,000 or roughly 45c per person residing in the county.

Of this sum the communities south of Oakland, Berkeley, Piedmont and San Leandro have to raise $35,000, of which the city of Alameda is is hoped will raise $20,000, leaving $15,000 for Hayward and Southern Alameda County communities to raise.

Of this sum Livermore and Pleasanton Townships should raise about $2,500 to $3.000 which is about doubled the sum of $1,475 raised last year in this Township.

The U.S.O. is a "service to the boys, and not a charity" the speaker pointed out. Individual subcriptions of $1 should be the objective, although smaller sums in "clinking money" will be acceptable from those not able to afford the figure in "folding money".

The larger the concern the larger should be its subscription, the speaker said. R. A. Blacow of Niles was Township chairman last year. It was suggested each Township community have its own chairman this year, as was done so successfully during the special Red Cross drive held in December.

WEDNESDAY

8:30 a. m. Pre-school examination begins at Niles Elementary School.

Noon: Washington High School PTA luncheon and installation of officers.

7:30 p. m. Niles Cub Pack achievement council at Niles Elementary School.

THURSDAY

7:30 p. m. Civilian Defense demonstration at Niles Grammar School.

MISSION SAN JOSE

Miss Ruth Justus
Correspondent

Mr. and Mrs. Joaquin Periera accompanied Charlie Santos and his mother to San Francisco on Sunday where they decorated the last resting place of Sister Mary Claudia, formerly of the Dominican Convent here.

The recreation leaders of Washington Township met at the Mission grammar school on Tuesday morning for their regular weekly session and class. Mrs. Maude Witherly is the leader here at the Mission.

Teddy Perriera celebrated her birthday on May Day at her home here and in the evening Mrs. Faye Castro surprised her with a family dinner. A lovely cake was in evidence and she received a number of beautiful and useful gifts.

The children of the St. Joseph Parish are receiving instructions this week from the Sisters in preparation for their confirmation on Mother's Day.

Miss Nelle Warren and parents entertained Hayden Poag and Wesley Murray, U. S. N. of Moffett Field on Sunday.

Several of the grammar school children who have been absent for a while are now back in school again. Imogene Messer and "Nonie" Fernandez have gotten rid of their measles and Mary Ann McIvor, who was ill for a couple of weeks with a tonsilectomy has returned, as has Jeanne Telles who has missed some time, and also Marie Edna Silva.

Little Rita Byrd Wilson, year old daughter of Mr. and Mrs. Robert Wilson of the Mission Garage has been quite ill for over a week and is still a long way from feeling fine.

The defense meeting held in the I. D. E. S. hall here in the Mission on Monday evening for the public was very well attended as they showed "Pearl Harbor" and the bombings The people got a very clear picture of what bombings are really like.

Roverend Hugh Ryan has gone to Canada to visit relatives and friends for the next month. It has been a numberof years since he made the trip the last time. Reverend Nettleville is taking his place at the Dominican Convent.

Mr. Albert Frei of Sunnyvale spent the weekend at the home of his brother Ernest here.

Reverend Father Leal of St. Joseph's Church has returned to his duties here after spending several weeks at Richardson Springs.

Tony Abreu was quite severely burned on his left hand and arm this past week at the Pacific States Steel Mill at Niles where he is employed. Although he is still off work his hand is nearly healed.

Mrs. Frank Azevado, mother of Mrs. Helen Semas was taken to the hospital last week to have one of her toes removed because of infection. At this writing she is doing nicely.

Miss Elizabeth Bettencourt of San Francisco spent Friday here at her old home and visited friends and relatives.

HUNGRY FOR FARM-FRESH FRUITS AND VEGETABLES?

THE GOVERNMENT SAYS... EVERY DAY EAT:
A tomato, an orange or their juices so as to get plenty of Vitamin C.
A big helping of Green Leafy Vegetables, or sometimes yellow ones, raw or lightly cooked, so as to get more Vitamin C, more Vitamin A, and minerals.
And finally an apple, a peach, a pear or other fruits in season so as to get added minerals and vitamins.

SAFEWAY'S OWN EXPERTS PICK OUT AND BUY JUST THE FINEST VEGETABLES AND FRUITS FARMERS GROW---AND WE'RE ALL RUSHED STRAIGHT TO TOWN,
FARM FRESH!
BUY WAR STAMPS and BONDS regularly

AD PRICES EFFECTIVE THUR., FRI. & SAT. MAY 7th-8th-9th
IN SAN FRANCISCO, OAKLAND, ALAMEDA, BERKELEY, RICHMOND, HAYWARD, OTHER CITIES AND TOWNS IN SAN MATEO, ALAMEDA AND CONTRA COSTA COUNTIES.

PLACEMENT SERVICE FINDS JOBS FOR COUNTY PEOPLE

HAYWARD—Placement of men and women in all types of work, particularly in war industries, continued at an accelerated pace during the month of March, according to announcement made today by Walter Gamman, manager of the Hayward office of the United States Employment Service.

In Southern Alameda County, said Gamman, 237 persons found jobs through the Employment Service, compared with 168 in March, 1941.

Throughout the state, 47,124 placements were made in March of this year, compared with 31,458 in the same month last year.

NILES CONGREGATIONAL CHURCH

CENTERVILLE CHURCH

10 a. m. Morning Worship.
Sunday school — Younger children at St. James Episcopal, older children at the Presbyterian church. Parents can attend the church service while the children are in classes.

CHRISTIAN SCIENCE CHURCHES

"O Israel, return unto the Lord thy God; for thou hast fallen by thine iniquity." These words from Hosea comprise the Golden Text to be used Sunday, May 10, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts. The subject of the Lesson-Sermon will be "Adam and Fallen Man."

Included among the Scriptural selections will be: "So God created man in his own image, in the image of God created he him; male and female created he them. . . And God saw every thing that he had made, and, behold, it was very good," Genesis 1: 27, 31 (to first period).

The following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be included: "The standard of perfection was originally God and man. Has God taken down His own standard, and has man fallen? God is the creator of man, and, the divine Principle of man remaining perfect, the divine idea or reflection, man, remains perfect," (p. 470).

DECOTO GROUP ENJOYS DISCUSSION OF OLD MISSIONS

DECOTO — The Decoto Discussion Group was very pleasantly entertained at the home of Mrs. Frances Mara on Friday, May 1. In honor of May Day the luncheon table had for a centerpiece a very clever May Pole scene, with tiny, gaily dressed dolls as dancers.

After a few informal talks on the subject of letters, conducted by Mrs. Mary Frances Swenson, Mrs. Taylor took charge of the program which was the Mission meeting of the year and took up the history and preservation of Mission San Juan Bautista. Mrs. Freemont Older's book, "Missions of California and their Romances," was used as reference as well as other material. Mrs. Taylor conducted a thorough review of all important details connected with the subject.

Father Hennessey of Niles was a guest and gave an interesting report of his trip to the Missions, made especially enjoyable by generous dashes of delightful Irish humor and personal anncedotes. Mrs. Roberts, Alameda County Librarian, was also a guest and contributed to the discussion.

The Group was glad to receive Mrs. Pearl Castro into their organization as a welcome and valuable member. The next meeting will be on the subject of humor and the leader, Mrs. Leontine Costa has selected "The Mother of the Smiths" by Lorraine Carr, as the book for study. The meeting will be held at the home of Mrs. Helen Brown.

DUDE MARTIN COMING AGAIN TO NEWARK PAVILION

NEWARK — Plans are now being made for a dance and broadcast to feature Dude Martin and his Round-Up Gang on Saturday evening, May 23 at the Newark Pavilion. The floor show will commence at 8:30 p. m.; the direct broadcast from the Newark Pavilion over radio station KYA will be heard from 10 p. m. to 11 p. m.; and dancing will continue until 1 a. m..

Dude and the boys are heard every morning on the radio from 7 7 to 8 a. m. with the exception of Sunday, and each evening from 6 to 6:30 p. m. with the exception of Saturday and Sunday.

This will be Dude's fourth appearance at the Newark Pavilion. His first appearance early in 1941 was sponsored by the Newark Sportsmen Club, and his other two appearances later in 1941 were sponsored by the S. E. S. lodge of the Newark Pavilion.

STUDENTS PRESENT PROGRAM FOR PARENTS

CENTERVILLE — A program of 12 numbers was presented by the students of the Centerville Elementary School on Tuesday afternoon, April 28, for the parents.

The visitors had an opportunity to inspect exhibits of the children's work exhibited in the classrooms. Light refreshments were served by eighth grade girls under the direction of the teachers.

First Holy Communion was received by a class of twenty children at the Corpus Christi Church in Niles last Sunday.

OFFICERS INSTALLED

Mrs. Adeline Santos was elected president last week of the Alvarado Farm Home Department and Mrs. Geneva Smith of the Newark Farm Home department, according to Mrs. Maryetta Holeman, county demonstration agent. The officers were installed Wednesday at a joint county meeting held in East Oakland. Mrs. Santos is also publicity chairman of the county group and Mrs. Louise Zwissig is vice-chairman.

COUNTRY CLUB INSTALLS ITS NEW OFFICERS

The election and installation of officers of the Washington Township Country Club was held on Tuesday afternoon at the clubhouse in Centerville. The new officers are Mrs. Will Mette, President; Mrs. E. H. Hirsch, Vice-president; Mrs. Joe Shinn, Jr., Secretary; Mrs. Jack MacGregor, Financial Secretary; Mrs. Howard White, Treasurer; Miss Nancy McKeown, Mrs. Thomas Powers and Mrs. Alwin Searles, Directors. The officers were installed by Mrs. Emil May of Hayward, President of Alameda County Federation of Women's Clubs. Two new members were received, Mrs. Vernon Willard and Mrs. W. H. Reasoner.

Mrs. Loren Marriot, retiring president, and other officers and committee chairmen gave their annual reports. Ten dollars was given to the Boy Scouts Summer Camp Fund. The program was in charge of Mrs. Lawrence Bunting, Art Chairman, and consisted of a review of the years art program with seven arts represented by the following: Mrs. Ethel Grau, Painting; Mrs. Pheobe Ormsby, Sculpture; Mrs. Roland Bendel, Architecture; Mrs. Dwight Thornburg, Music; Mrs. Gladys Williamson, Literature; Mrs. C. E. Anderson Drama.

The members of the luncheon committee under the direction of Mrs. Jack Kline, chairman, were hostesses at a tea after the program given in honor of the new officers and the twenty-nine new members who have been received this year.

RED CROSS PARTY

MISSION — Last Wednesday the ladies of the Red Cross finished their sewing for the present or until more comes in to do. As a climax to a very busy winter program they celebrated by having a luncheon served by some of the ladies. Mrs. Lena Solon and Mrs. Jennie Semas furnished cakes, Mrs. Ernest Frei, cream, Mrs. Grace Meyers coffee, Mrs. Rosie Rogers, cookies and ice cream by Mrs. Mary Borge. The room was decorated for the occasion and every other week the ladies are going to meet and bring their own sewing and receive help from Mrs. Eleana Periera, thus keeping the group together for future Red Cross sewing.

BENEFIT DANCE

NEWARK — Final plans have been made for the benefit dance Saturday evening at the Newark Pavilion to be given by the Woodmen of the World Maple Camp of Centerville. The slogan of the dance is, "Win Our War." The proceeds of this affair will be used to purchase a Disaster Emergency Ambulance. Music will be furnished by Larry Silva's orchestra featuring Bud Smith and Ken Farla.

SOLDIER MARRIES IRVINGTON GIRL SUNDAY AT NOON

MISSION — At high noon on Sunday, May 3 Miss Lucille Rose, daughter of Mr. and Mrs. Walter Rose of Irvington and a former Washington Union High school student, was taken in marriage by Corporal Angelo Pestarino in a beautiful ceremony held at the Holy Names Church in San Jose. Corporal Pestarino is stationed at San Luis Obispo in Uncle Sam's Army. Mrs. Peggy Whitfield Voorhees was the maid of honor.

Friends and relatives from the Mission who attended the ceremony were Mrs. Rose Rogers and daughter Lorraine, Mrs. Mary Rogers, Mrs. Josephine Fernandez, Mrs. Hannah Rose, Mrs. Lena Solon and Mrs. Sara Boggini.

After a very short honeymoon the groom will return to his station at San Luis and Mrs. Pestarino will continue her work in San Jose where she has been for some time. They will spend weekends together.

BIRTHDAY PARTY

IRVINGTON — A family birthday party was given in honor of Sergeant LeRoy Raymond on Sunday at the home of his parents, Mr. and Mrs. Stepp Raymond. Sgt. Raymond is stationed at Camp Roberts.

NILES LOCALS

Miss Rosemary McDonald
Correspondent

The regular monthly meeting of the Niles Junior Chamber of Commerce was held Tuesday evening in the City of Florence Restaurant with Jack Parry presiding.

Reverend Richard C. Day, Mr. and Mrs. W. T. Lindsay, Walter Waynflete and Walter Kleinsasser represented the Niles Congregational Church at the spring conference of Bay Region churches held Tuesday afternoon and evening at the Fruitvale Congregational Church.

Sugar rationing sign-ups ended late Thursday evening in the elementary schoolhouses of Washington Township. Women of the various PTAs helped the teachers accomplish this task. Anyone who missed signing up will have to apply to the Township Rationing Board in the old Telephone office on Niles Main street.

The Reginald Calhouns, Tommy Champion and Bill Pine were among the Niles folks who caught their limits of trout on opening day, according to report. George May and George Smith had good luck, too in Dry Creek near Decoto and in Alameda Creek.

Tuesday was the first really warm day to occur thus far this year; quite late for spring. April was unusually cold, blowly and rainy. Begins to seem like summer will finally come; after a long cold winter.

Deputy Sheriff Henry Vervais recently found four tire-less wheels from late model automobiles hidden in the grass near the gravel pit. Does one of them happen to be your spare wheel?

Mr. and Mrs. L. Mayer entertained at a family barbecue last Sunday in honor of Mrs. Mayer's father and mother, Mr. and Mrs. Frank J. Garcia's 49th anniversary.

BETSY ROSS PARLOR PLANS BRIDAL SHOWER

IRVINGTON — At the next meeting of Betsy Ross Parlor, N. D. G. W. a Bridal shower will be given for Isabel Ferry. Making arrangements for the evening are Anna Rose, chairman, Margaret White, Roumilda Emge, Leotina Leal, Lucille Correia and Mary Amaral. The Parlor sent a cash donation to the Native Daughter's State Chairman for Veteran Welfare to be used for Veterans and also for Boys in Camp. Plans are being made for the Parlor's annual dinner to be held the first part of June. It has been decided to combine the dinner and the annual Book Officer's Party.

Members of the Homeless Children committee of Native Sons and Native Daughters met to discuss plans to raise money for this worthy project. It was decided to offer a portable radio for this purpose. Committees are: Native Sons; Ed Vierra, chairman, M. P. Mathiesen; Native Daughters: Evelyn Garcia, chairman, Mary Freitas, and Evelyn Piexoto.

Mrs. J. C. Shinn, Sr., and Mrs. J. C. Shinn, Jr., were hostesses to the Eastbay Drama Club at the home of Mrs. Shinn's sister, Mrs. William R. Cobb at Berkeley last Friday. The annual garden party held by the club at the Shinn home for the past several years was cancelled this year due to the tire situation.

The next regular meeting of the Niles Rebekah lodge will be held on Friday evening, May 15 at the I. O. O. F. Hall. After a short business session a social hour will be held according to Mrs. Sena Carr, Noble Grand. On the refreshment committee are Mrs. Judith Weaver chairman, Mrs. Ellen Mohn and Mrs. Ethel Fournier.

Mr. and Mrs. William D. Cull will leave Monday for San Jose. Mrs. Cull is a delegate from the Niles Rebekah lodge to the Rebekah Assembly which convenes in San Jose next week. Mr. Cull is the recently elected delegate of the I. O. O. F. Lodge of Niles and will attend the I. O. O. F. Convention which also convenes in San Jose next week

Mrs. Dan Marble entertained her Bridge Club on Wednesday.

Mrs. Catharine Parry will leave Monday for the Rebekah Assembly held in San Jose as a delegate from the Niles Rebekah lodge. Mrs. Parry, who was recently elected by the Niles Rebekah lodge and endorsed by the other Rebekah lodges of this District will be installed as District Deputy President at ceremonies in San Jose on Friday, May 15.

Mrs. James Elsea and infant daughter Janet Gayle arrived home from the East Oakland hospital this week. Mr. Elsea is one of the Agriculture Instructors at the high school.

Mrs. Lawrence Bunting visited Mr. and Mrs. George Sladek at Lincoln, California this past weekend. Mrs. Sladek is in the hospital recovering from a recent operation.

Dr. and Mrs. T. Wilson, Mr. George Roeding Jr., Mr. and Mrs. Thomas Robbins, Mr. and Mrs. J. A. McDonald and Mr. and Mrs. Clarence Perkins of Centerville attended the Central California Nurserymens' dinner at the Hotel Leamington in Oakland on Thursday, April 30.

A Mother's Day Tea will be held at the High School auditorium on Friday afternon, May 8 at 2 o'clock. The tea will be served by the Girls' League of Washington High school.

POT LUCK DINNER

IRVINGTON — A Pot Luck dinner was given by the Ladies Auxillary of the Irvington Fire Department for the Irvington firemen, commissioners, wives and families on Saturday evening at the Irvington firehouse. Mrs. Wayne Day, president acted as chairman with the aid of the ladies of the auxiliary. A delightful evening was enjoyed by all. Approximately 50 were present.

NEWARK PATROL ENJOYS ANNUAL DINNER THURSDAY

NEWARK—The Newark Grammar School Junior Traffic Patrol held their annual dinner Thursday evening at the school auditorium sponsored by the Newark Booster's Club. Several donations were made by local businessmen. After a delicious dinner the patrol enjoyed the evening attending a show at the Niles Theatre. At the dinner in Newark brief talks were made by H. J. Bolyard, Sam Scott, and Jack MacGregor.

The following boys of the Newark Patrol were present: Sergeant Joe Machado; Officers, Mervin Neves, James Darneal, Billy Anderson, Pratt D. Truscott, Manuel Lewis, and Alvin Silva: Sergeant Everett McNulty; Sergeant Lloyd Darneal; Sergeant Shig O'Hara; Sergeant Eugene Mendes; Sergeant Jack Stadler, and Lieutenant Harold Caldeira.

Mrs. Gladys Williamson was on the installation program of The Business and Professional womens club of Hayward on Tuesday, April 28.

Mr. and Mrs. Sydney Carr received a wire from their son, Corporal Herbert Carl that he is enjoying a few days furlough in Honolulu at the Royal Hawaiian Hotel, which has been taken over by the Navy.

Mrs. Mary Regan plans to attend the wedding of her nephew, William Edward Regan, which will be held at St. Anne's church in San Francisco on May 9.

Mr. and Mrs. Lester Duffey will spend the weekend in Monterey visiting Mr. and Mrs. Warren Jones.

Mrs. F. Fadie and daughters, Matilda and Blanche Fadie of Berkeley visited the Leon Vieux family on Sunday.

Mr. and Mrs. Fournier Jr. and son Bernie visited in Albany Saturday and Sunday as the guests of Mrs. Fournier's brother and wife, Mr. and Mrs. George Burns.

The Eighth Grade of the Niles Grammar school spent Friday, May 1 at Washington High school where they made a tour of all the classrooms which were displaying exhibits and after lunch they attended an assembly.

Mrs. Roland Bendel, general chairman of the program committee of the Country Club entertained the program committee at a luncheon at the International Kitchen Tuesday noon preceding the regular meeting of the club. Those present were Miss Grace Knoles, Mrs. Frank Dusterberry, Mrs. E. A. Ellsworth, Mrs. C. E. Martenstein, and Gladys Williamson. Special guests were Mrs. Loren Marriott, President of the club and Mrs. Emil May, President of the Alameda County Federation of Womens' Clubs.

MISSION COUPLES ENJOY ANOTHER FINE GET-TOGETHER

MISSION — The young married folks held another one of their get-togethers on Saturday evening. This time it was in honor of Mrs. Nita Crook of Irvington who celebrated her 28th birthday at the home of Mr. and Mrs. Ray Dutra here.

Her husband, who is a baker had made a beautiful oblong cake two feet by three and decorated it with rose buds. Just for a laugh her friends placed a large red candle in the middle of it.

Those who attended were Mr. and Mrs. Peter Brayovich and Mr. and Mrs. Virgil Thornton of San Jose, Mr. and Mrs. Joseph Borge, Mrs. Grace Meyers, Mrs. Josephine Fernandez, Joseph Periera, Mr. and Mrs. Bob Wilson, Mr. and Mrs. Manuel Phillips, Mr. and Mrs. Al Harvey, Mrs. Helen Santos, Mr. and Mrs. Joe Semas, Mervin Santos, and his brother Alvin, Mrs. Maude Dutra and daughter Dorothy, and Mr. and Mrs. Ray Dutra of the Mission, Mr. and Mrs. Al Alcazar and daughter Doris of Niles and Mr. and Mrs. Art Hughes and son Artie of Irvington, Frank Dias, the guest of honor, Mrs. LeRoy Crook and her husband.

The evening was spent in dancing and games of every kind with a marvelous array of eats to round out a very fine evening.

FASHION SHOW

The Toyon Berries will hold a Fashion Show on Friday evening, May 8th at the Country Club at Centerville. The models who will display fashions from Mis Alameda's Shop in Oakland are Avis Alberg, Helen Griffin, Alice Thomas, Rachel Williams, Shirley Mariot, Adele Bertolotti Beverly Adams, Jean Rogers, Harriet Dias, Marjorie Brunelli and Juanita Galvin. Dorothy Fae Franklin will act as commentator. Tea and cookies will be served. Entertainment will consist of musical numbers by the Junior Sextette from Washington Union High School, piano selections by Mabel Enos and tap dancing by Marjorie Hunt.

BIRTHDAY PARTY

NEWARK — A birthday party was held Saturday at the home of Mr. and Mrs. Standlin in honor of their son, Charles who celebrated his ninth birthday. Refreshments were served and games were played. Many beautiful gifts were received. Those present were Diane Reider, Beverly Nevis, Patty Collins, Elaine Holt, Eleanor and Frances Thoza, Theresa Standlin, Jesse Adams, Donald Pedro, William Adams, Gary Silveria.

"IRON OUT" RIVALS

NEWARK—The Newark Sportsmens baseball team on Sunday ironed out the Laundry Workers of San Francisco by an overwhelming score of 18 to 1 at the Newark school grounds. Stanley Roderick for Newark hit a home run beside numerous other base-hits gathered by the locals. Newark made a spectacular double play in the second inning from Soito to Dutra to Silva, which was one of the many highlights of the game Sunday.

LIGHT OPERA SEASON OPENS AT CURRAN SOON

San Francisco will have one of its most brilliant seasons of light opera when the third annual light opera festival opens at the Curran Theatre, May 11, with Noel Coward's master-piece, "Bitter Sweet."

Presented jointly by the recently organized San Francisco Civic Light Opera Association, with Edwin Lester as general director, the season lists four great operettas, introducing famous singing, dancing and comedy stars of opera, stage and screen.

"Bitter Sweet," the opening attraction, will co-star Muriel Angelus and John Howard. Miss Angelus is one of England's most brilliant singing actresses, well remembered for having appeared in "Balalaika" in London, and the New York smash hit, "The Boys from Syracuse." She will have the role of Lady Shayne.

John Howard, distinguished dramatic actor and singer of stage and screen, is being presented on the Pacific Coast for the first time in a romantic singing role.

Second offering of the season will be "The Vagabond King," the week of May 18, with four brilliant vocal artists: Bob Lawrence of the St. Louis Municipal Opera, Dorothy Sandlin, Marthe Errolle and Robert Stanford. John Carradine will appear as Louis XI, with Melville Cooper and Vera Marsh completing the cast.

"Hit the Deck," the riotous musical comedy by Vincent Youman, will be staged the week beginning June 1. Frank Albertson, Joan Roberts and Ethel Waters will head the large cast.

Final offering of the season beginning June 8, will mark the return of John Charles Thomas, Americ a's foremost baritone, in "Music in the Air," the Jerome Kern-Oscar Hammerstein hit. Irra Petina, Metropolitan and San Francisco Opera Company star, and Francis Lederer, one of the country's most eminent stage personages, will appear with Thomas.

NAVY RELIEF INVITES FOLKS TO SHOWS IN S. F.

SAN FRANCISCO — Richard M. Tobin, general chairman of the Navy Relief Society's $275,000 fund campaign in Northern California issues an invitation to all residents in this area to attend the program of events arranged for this month in San Francisco.

All funds secured from this entertainment series will help swell the Twelfth Naval District's quota in the national appeal for $5,000,000 to assist the families and dependents of Navy, Marine Corps and Coast Guardsmen killed or disabled in fighting the Axis.

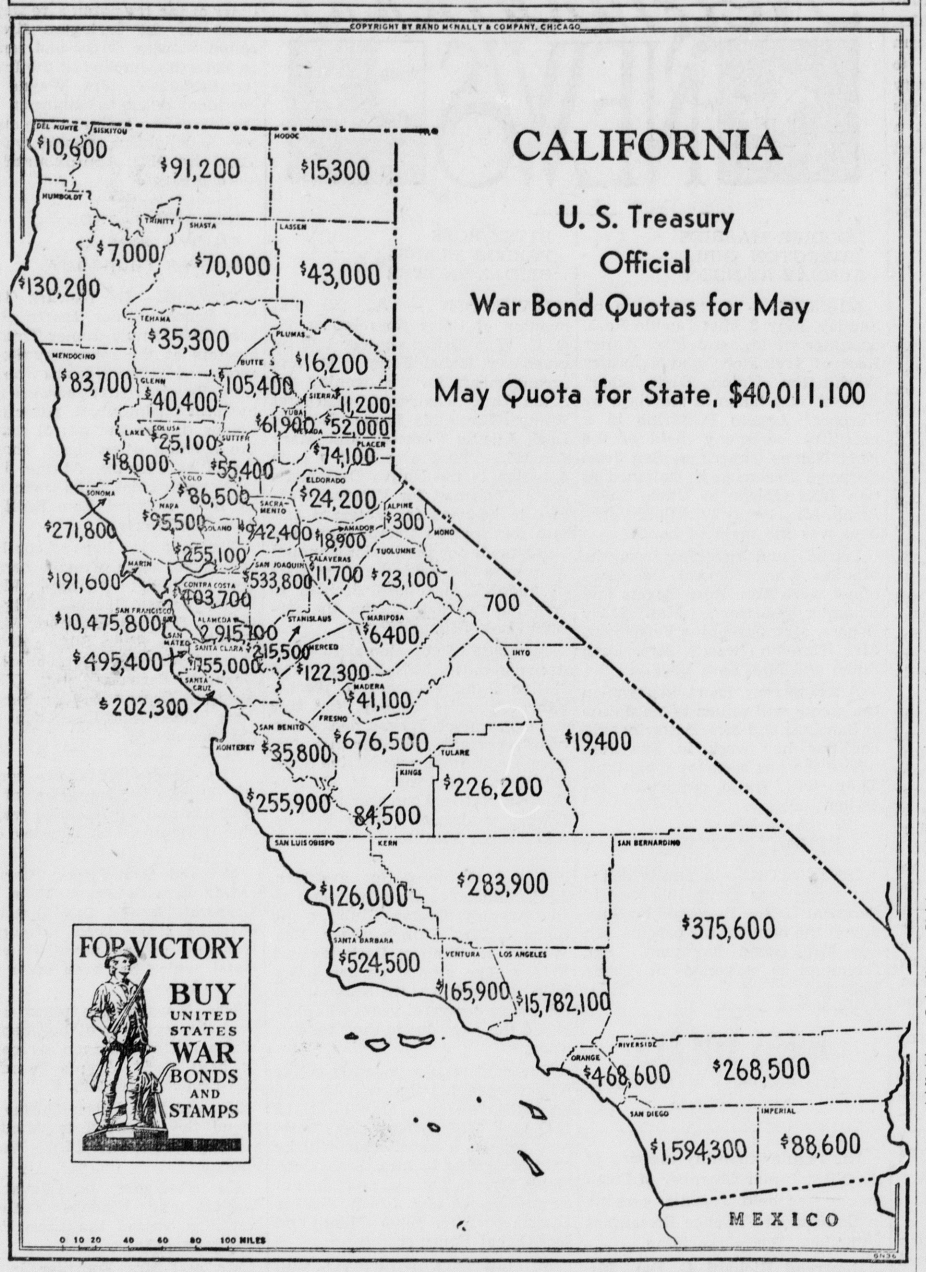
May 11, in Civic Auditorium, Bob Pastor, light heavyweight champion of the world and Al "Turkey" Thompson will box ten rounds. Pastor is flying here from New York. In addition there will be five other championship fights between the best Navy men in the Pacific and the Atlantic Fleets. The matches will be held in the Civic Auditorium.

Tuesday, May 19, Walter Winchell, noted columnist, a Lieutenant Commander in the Navy will open the show of shows in Civic Auditorium with more than 100 stars from Hollywood and New York. This will be the outstanding fete of the Navy Relief Society entertainment. It promises to beat all records for the appearance and entertainment by the largest and most noted galaxy of stars appearing in any city at anytime, in the history of the show business.

OVER-INFLATION

A tire which is 30 per cent over-inflated gives only 85 per cent of its normal mileage, states the Emergency Road Service of the California State Automobile Association. Over-inflation causes excessive wear at the center of the tread.

Official U. S. Treasury War Bond Quotas For May



The above map of California shows the War Bond quotas, by counties, for the month of May, 1942. Total War Bond quota for the State is $40,011,100. Every income earner in the State is expected to step-up War Bond purchases on a basis of ten per cent or more of income. This is necessary to help America's armed forces take the offensive against the Axis powers. The American voluntary method of War Bond purchases must be successful in reaching the quotas set by the Treasury Department for every county in the nation. The job of every American now is to stop spending and save dollars to help win the War.

COUNTY HAS 681 PUBLIC VEHICLES

The Department of Motor Vehicles announced today that there are a total of 681 motor vehicles owned by the State and County Governments registered in Alameda county. Of these 364 are owned by the State and 317 by the County.

The list, prepared by the Department for the information of tire rationing boards throughout the state, shows 154 state owned and 126 county owned passenger cars; 186 state owned and 142 county owned trucks.

State and county owned vehicles are exempt under the law from payment of registration fees.

NEWS FROM WASHINGTON . .

An offcial bulletin from the Office of Government Reports bears the following useful information this week:

Mail to American Prisoners of war in the far east whose names have appeared on official lists of the Provost Marshall General may be sent postage free, the Red Cross says.

College students enrolling in advanced ROTC courses will be required to enlist in the Army enlisted Reserve Corps if they have reached the age of 18, the War Department says.

Selective Service Director says men who registered in the third draft on February 16 will be included in June calls of all local boards.

UNCLE SAM CALLING

(Editorial)

Uncle Sam has planned a house-to-house and office-to-office canvass of all America with the goal of selling war bonds and stamps to every nephew and niece. The magnitude of the sales campaign of the old gentleman with the bestarred hat and striped pants and war-glint in his eye is breath-taking. But his sales talk is a cinch. He will say, in effect:

"I want to borrow all the money you can possibly spare in order to attack the enemy. If we crush the Axis across the seas, your community and loved one will be saved from the horrors of invasion. And invasion would mean blood running in your streets and home, and you would hear the screams of people crazed and blinded and maimed.. If you lived through it, you would become a slave. Buy bonds. Scrimp and save to buy them. Buy them every payday. Buy stamps with your change at the store. For without victory in this war, your money would become worthless or be taken from you. Buy victory with bonds — and you will receive your money back, with interest and with thanks of your soldiers and your country."

Every American should begin figuring how he can economize to save for war bonds, so that he can meet Uncle Sam proudly and with cash in his hand. For he's calling on every last mother's son of us — and soon.

Any women wanting to get into war work may register at the nearest U. S. Employment Service office. There will be no national registration of women for the present, the President says. By the end of this year there will be 17½ million persons employed in war work compared with only 1½ million at the beginning of last year. A million more women will be employed in war industries this year, according to War Manpower Chairman McNutt. Men and women over 40 can find work.

The President wishes the public to buy war bonds and stamps regularly, up to 10 percent of their income, using money from current earnings rather than from cash reserves.

The American Legion announces that tobacco companies have offered to send single cartons of cigarettes at a cost of but 75c per carton of 10 packages of 20 cigarettes each, to any man in service anywhere. Just send your money to the company which makes the brand you select, send exact address of soldier or sailor; and if you want to make it a regular monthly or semi-monthly order, send money and instructions to cover. Only one carton can be sent to one man at one time at this special service price of 75c per carton.

The next meeting of The Friendly Sewing Circle will be held at the home of Mrs. Lilly Butterfield on Monday, June 8. Mrs. Virginia Yarbrough and Mrs. Rose Fournier will assist the hostess. The last meeting was held at the home of Mrs. F. H. Smith and was attended by fifteen members.

WATCH YOUR SPEED!

Members of the Alameda County Tire Rationing Board hereafter will receive the names of persons on a preferred status for the purchase of tires who are caught driving at excessive speeds. This order was issued to Highway Patrolmen by their chief, E. Raymond Cato, to preserve precious rubber. It followed the arrest of a physician near Santa Cruz who had been traveling at 80 miles an hour merely to reach his beach home.

NEWARK

Eugene Pashote
Correspondent

Mr. and Mrs. Bill Templim of San Jose moved this week to a new home on Birch Road recently vacated by Mr. and Mrs. Clarke Redeker.

Mr. and Mrs. Serafine Fernandez and Mr. and Mrs. James Dias spent the weekend at Newman.

Mrs. Roy C. Springer was given a baby shower at the home of her sister in Oakland on Saturday.

Frank Sarmento and Bud Kettman spent Sunday fishing at Half Moon Bay.

The Newark 4-H Club met Wednesday at the home of their leader, Marjorie Cotton.

Mrs. Sam Scott entertained the Stitch-em-up Club Friday at her home on Birch Road. Refreshments were served.

Mrs. Mamie DeSopa is spending her vacation visiting friends at San Diego.

James Laudenslager is studying aircraft mechanics at the Alameda Airport where he has received a civil service appointment.

Mrs. James Nevis and Mrs. Frank Silva attended a baby shower given Thursday at Oakland.

SHRINE CIRCUS TO OPEN ON FRIDAY, MAY 15

The second annual Aahmes Temple Shrine Indoor Circus, a complete three-ring show with 160 human performers and animals, will open in the Oakland Auditorium on May 15 for a nine-day run. Sponsored by Aahmes Temple and presented by Polack Brothers the circus will be put entirely inside the auditorium, same as last year. And, as they did before, the shriners will see that all underprivileged children in Alameda County are taken to the show. Funds from the circus will be used for the entertainment of service men at the Aahmes Temple Hospitality Center during the year.

Special rates have been set for all school children, with the local school superintendents arranging the days they will attend.

The circus itself is entirely professional, with the same acts that have appeared in "Big Top" shows throughout the country.

There will be daily matinees as well as the regular evening performances for nine nights. Reserved seats are on sale at the Aahmes Temple, 13th and Harrison streets in Oakland.

Mr. and Mrs. Frank Neves and family of Newark and Mr. and Mrs. Clarence Neves of Stockton spent Sunday bass and catfishing in the Sacramento River. Frank Neves returned home mighty proudly with a seven pound bass and several catfish.

Plans are now beng made for a dance Saturday evening, June 13 at the Newark Pavilion featuring the Clinton Harmonians.

J. F. Silva and Joe Martin spent the weekend at Monterey.

The manner of giving shows the character of the giver, more than the gift itself. — Lavater.

COLLEGE MEN MAY SIGN UP AS AIR CADETS

Introducing the new plan of the Army Air Forces to recruit college men on a deferred service status, and aviation cadet examining board will visit five Central California colleges and universities within the next few days.

The board will interview applicants at colleges where the plan has been explained recently by Major Jay K. Montgomery of Stockton Field. Physical examinations and the new simplified "screening test" will be given on May 13 and 14, Stanford University, Palo Alto and on May 15 and 16, San Jose State College, San Jose.

Students in other schools may meet with the board on this trip, or may contact the nearest aviation cadet examining board office at any time.

The new aviation cadet training program, designed to provide both air crew and ground crew officers, became effective April 4, 1942. It makes it possible for candidates to enlist in the Army Air Force Enlisted Reserve on a deferred basis and continue their college education until graduation, or until actually needed for training. High school seniors who plan to enter college also come under the program.

Young men enlisted in the Air Force Enlisted Reserve and deferred for scholastic reasons will be identified by an emblem similar to the familiar wing-and-propellor insignia.

The program is open to all young men between the ages of 18 and 26, inclusive, who meet the physical requirements and can pass the screening test. They may apply for air crew officers' training as pilots, navigators or bombardiers, or for ground crew training as armament, engineering, meteorology, communications or photography officers.

S. F. NEWSPAPERS GET U. S. PRAISE

SAN FRANCISCO — Because newspapers and the Army and Navy in San Francisco "work well together", the Office of Censorship in Washington declares it receives fewer questions from San Francisco than from any other large city.

WAR PRODUCTION SPEEDUP TO BE DISCUSSED IN S. F.

SAN FRANCISCO — Because Northern California, with its farms, factories, shipyards and shipping facilities is a vital section of victory's arsenal, a thousand industrial and business men will meet in San Francisco, May 14, at the Palace Hotel to discuss speeding up production of war materials.

The conference, under the auspices of the National Association of Manufacturers, will exchange ideas and hear from government representatives on how to produce more goods in less time for the proper equipment of the fighting forces, according to J. D. Zellerbach, regional vice-president.

Leading industrial organizations throughout the state will cooperate in the San Francisco conference.

HELP SUGAR SIGNUP

(Special to the Register)

MISSION — Mr. E. B. Hodges wishes to thank each and every one of the Mission people who so generously helped at the sugar rationing boardthis week. The registrars were Mrs. LaVerne Dickerson, Mrs. Edith Awbrey, Mr. and Mrs. E. B. Hodges. The following sat on the board through the four days and one extra, Sunday, to register those who could not get there on a week day. They were: Mrs. Hazel Millard, Mrs. Maude Witherly, Mrs. T. D. Witherly, Mrs. Mary Borge, Miss Nelle Warren, Miss Elaine Justus, Mrs. Josephine Fernandez, Mr. Rutter and his son Doran of San Jose, Mary Santos, Mrs. Mary Rodrigues, Mrs. Rose Rescends, Miss Eda Beronio, Mrs. Grace Meyers, Mrs. Marie Semas and Mrs. Lois Justus.

AND DO THEY LIKE IT! !

To Private Willis Gillis, and to millions of American boys now in service, the home town newspaper is like a dozen letters from home, satisfying their craving for all the news about the folks they know. The home town newspaper is friendly, intimate and satisfying. The soldiers and sailors, and the folks at home, read every word with eager interest. It is as American as the Stars and Stripes, as vital as Faith, Hope and Charity. Through the home town newspaper, advertisers reach the millions of American families on the basis of a warm and ready welcome into their homes. In this Saturday Evening Post drawing of Private Willie Gillis, Norman Rockell has paid a convincing tribute to a great institution — THE HOME TOWN NEWSPAPER.

ATTENTION COLLEGE MEN

If you are now in College, a Junior, Senior,or graduate between 19 and 28 years of are and unmarried, you are qualified for a commission in the U. S. Naval Reserve.

With special approval of the Navy Department, the V-7 program has been extended indefinitley. If you are one of the thousands of college upper classmen who has missed out on this program, contact your nearest Navy Recruiting station at once!

WOMEN ENLISTED IN S. P. SAFETY FIRST CAMPAIGN

A new kind of war work for women, that of helping to prevent industrial accidents by urging their men to observe safety rules on the job, is being encouraged by the Southern Pacific Company.

A. A. Lowe, superintendent of safety for the rialroad, revealed today that wives, daughters and sweethearts of rail workers have been specially invited to attend safety meetings conducted regularly by the company in the interest of accident prevention.

"We feel that women can lend invaluable aid in spreading the gospel of 'safety first' and we are appealing to them to join the crusade against carelessness and unsafe practices that cause accidents," Lowe said.

"The need for such action was never greater," he continued. "Every life lost or worker incapacitated is a double loss to America in these critical war days."

THE ARMY NEEDS PHYSICAL DIRECTORS

If you have had experience as a director of physical training and recreation your Army needs you now. Men with Bachelor Degrees in physical education are prefered, but those who have wide experience in this field will be accepted.

These specialists will be enlisted directly for the Air Corps and will be sent promptly from the Recreation Center to the Air Corps Replacement Center at Sheppard Field, Wichita Falls, Texas.

Excellent opportunities await men qualified for this assignment and with the great expansion of the Army advancement should be rapid.

Here is your opportunity to serve your country in your chosen field. Call at your nearest Army Recruiting Office today full information. Recruiting offices are located at 444 Market St. in San Francisco, New Post Office in Oakland and New Post Office in San Jose.

DON'T DELAY! ENLIST TODAY!

WHEEL ALIGNMENT

Wheels that are not properly aligned have a side slipping action which grinds precious rubber from the tire treads and produces internal heat which is injurious to the cord fabric and inner tube, according to the Emergency Road Service of the California State Automobile Association.

Mr. and Mrs. Sydney Carr spent Monday afternoon in Oakland where they interviewed Mr. B. Holder who was employed as a carpenter on Midway Island and arrived in Oakland last week from Honolulu... Mr. Holder while on Midway didn't meet Corp. Herbert Carr who is stationed there, but reports that all are well and happy there. He states that the birds are very beautiful and the waves splashing on the coral reefs are quite a sight.

ROSES HONOR YOUR MOTHER ON MOTHERS DAY

By George C. Roeding, Jr. Pres.
California Nursery Company

This is the season when garden lovers thrill to the open blooms of fresh spring roses against the background of glistening new foliage. We have never found them more perfect than they are this season in our own rose gardens and our friends give us the same report. Probably the cool weather we have experienced has had a great deal to do with our rose pleasure this spring. It has kept the buds opening just right so that we could have a full measure of enjoyment from each new bud. They open too quickly when the weather is warm.

The Oakland Junior Chamber of Commerce is sponsoring Rose Day this Sunday at the Oakland Municipal Rose Garden, and we can think of no more appropriate occasion than scheduling this event for Mother's Day. Roses have long been called "queen of garden flowers" and there is no question about Mother being queen in the home.

Time was when hundreds of people finding a new thrill in a garden of roses at this season could do no more than jot down a few notes as to the varieties they enjoyed most. That is all changed now because nurserymen making a specialty of roses have good husky plants growing in handy containers, prime with new foliage and set with flower buds. Given careful attention these container roses will go right on growing and blooming through the summer.

Roses purchased in containers are easily removed with the aid of a pair of tin-snips. Two slits are made the entire length of the can from top to bottom. Dig a good, spacious hole and set the ball of earth around the roots so that the union of rootstock and top branches is level with the ground. Fill in around the ball with a good grade of loam and settle with a slow stream of water. Do not use any fertilizer when planting but make a mental note to enrich the soil with a well-balanced commercial fertilizer about six weeks after planting. A trowel-full spread evenly around the base of the plant and soaked into the soil with a stream of water will have a most satisfactory effect in a very short time. It is advisable to repeat this operation about every two months during the growing season.

Some of us will want to replace old or unsatisfactory plants in our rose gardens with new stock in containers. Roses are heavy feeders and should have the advantage of growing in new soil. When you take out the old plant, take out soil equivalent to the spread of the old plant and just as deep. Put in a good, heavy loam from some part of your garden that has not been taxed with heavy growth of plant material, or buy a sack or two of good grade soil. Sometimes old bushes removed from the garden will reveal evidences of crown gall, corky knots attached to the roots. Be sure that these galls are burned so that organism does not have a chance to spread to other parts of the garden, and that none of them are left in the hole for planting the new rose bush.

MISSION TEAM OUTSHOOTS P. G. & E. ON NEWARK RANGE

MISSION — On April 30 the Tangle and Twist fishing club of the Mission held a rifle shoot with the P. G. & E. Rod and Gun Club of San Jose on the home range at Newark P. G. & E.

There were 21 contestants entered and the five high men of each team constituted the final score. The highest possible score for a five man team is one thousand points.

The P. G. & E. team of five highest men were: Burk 184, Canova, 177, Andrews 178, Gibbons 181, and Robinson 183. Total 903.

The home town team of high men were: Paul Hunt 192, Robert "Bob" Hunt, 184, Marston Dassel 180, Claire Bettencourt 179, and Tony Costa 179. Total 914. A very close contest.

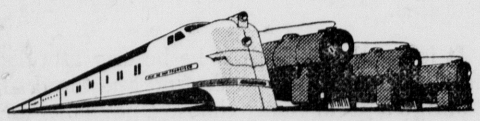
The evening was rounded out with coffee and "sinkers" enjoyed by all.

FISH FLEET AT EUREKA

Eureka will soon become headquarters fr the San Francisco commercial fishing fleet, states the Eureka Office of the National Automobile Club. Government control of boats and fishing in the Bay area have necessitated the change. And picturesque Fishermans' Warf has been taken over by the Army "for the duration."

Next time, try the train

The Bee-Line to Chicago



The Overland Route—America's first transcontinental railroad—is still the shortest from San Francisco, Oakland and Sacramento to Chicago.

Choose from these great trains:

STREAMLINER *City of San Francisco* speeds to Chicago in one day and two nights! A "sailing" every three days. Extra fare.

OVERLAND LIMITED is the luxurious, daily, all-Pullman train. No extra fare.

SAN FRANCISCO CHALLENGER is the economy train for chair car and tourist Pullman passengers exclusively. Delicious economy meals (breakfast 50¢, luncheon 60¢, dinner 75¢). Chair car for women and children exclusively. Lounge car for tourist Pullman passengers.

PACIFIC LIMITED is the scenic train. It crosses both the High Sierra and the Rockies by daylight.

YOUR ELECTRIC REFRIGERATOR safeguards health conserves food

Never has your refrigerator had more important work to do. It is on war duty. It must do its part in safeguarding health and conserving food.

★ Right now for example, there is an abundance of garden and orchard-fresh fruits and vegetables. In these fine foods is natural nourishment and energy from stored-up vitamins and minerals. Your refrigerator will keep these foods garden-fresh until you are ready to cook them.

★ Store foods properly in your refrigerator. Put them in the correct temperature zones. Wash greens and put them in the crisper. Put meat in the meat drawer. Never store foods in heavy paper wrapping. Conserve food by saving left-overs.

★ Read the instruction book that came with your refrigerator, or consult your dealer for advice. Remember, that now more than ever, your refrigerator will help you feed your family better and more economically.

Take Care of your Refrigerator. It will last longer.

1. Does the door gasket fit tight? If not, see about replacing it.
2. Keep the operating mechanism clean and free from dust and dirt.
3. Defrost regularly according to instruction.
4. Set temperature control at 40 degrees—the safe temperature for most foods.
5. Do not stuff your refrigerator full.
6. Wash the inside of your refrigerator regularly with soda and water.

INVEST FOR VICTORY BUY DEFENSE BONDS AND STAMPS

Consult your dealer about the care and repair of your refrigerator.

Editorial Page of the Township Register

WAR BOND DRIVE

What Washington Township citizens can do towards pledging themselves to buy more war bonds from increased income this month and in the months to come is a matter requiring some study.

Our district is not in any war boom area and those of our citizens who are not on regular salary, particularly the small businessman and the farmer are receiving somewhat LESS income today than they did even six months ago. Small businessmen are of course feeling the freezing and priorities pinch; and this is not yet harvest season for farmers, except spinach and strawberry growers.

The government does NOT wish citizens to withdraw their cash savings and invest them in war bonds. The government wants citizens to buy bonds from their increased income, (where they have any) in order to prevent inflation.

Bonds and stamps may be had at all Township banks, postoffices, schools and many places of business, and Township citizens and organizations have bought, and are buying, as liberally as they can of these "WIN-vestments" (as Walter Winchell aptly calls them).

No public drive or demonstration is planned locally, chiefly because our population is spraddled out over 36 square miles, including eight unincorporated communities, and we have no central governing body or civic organization.

To take a house-to-house census to determine how many bonds or stamps each family or persons now owns, as well as proving embarrassing, will prove of no help to the government. Washington already knows how many bonds have been sold and totals of daily sales are reported at once to the United States Treasury.

It is only the new sales and new pledges to buy regularly which interest the government, and, as many of us who support ourselves by our own efforts have unstable and variable incomes, subject to prices for crops, etc. it is practically impossible for many patriotic but low-income-class citizens to even attempt to make a pledge to buy regularly.

But everyone can and should take his or her change in War Stamps and should keep building up a book until a small Bond can be bought, as often and continuously as possible — without undertaking pledges, which in many cases cannot be kept.

Washington Township is a low income rather than a boom area.

Nothing in human life, least of all in religion, is ever right until it is beautiful — Harry Emerson Fosdick.

MOTHER'S DAY

In the 28 years since its inception in 1914, Mother's Day has grown to be one of the most pleasant among national holidays of the holiday-loving American people. It has taken on the happy significance of a time for family reunions, for surprise visits to mothers from far places, for the delights of letters and telegrams and candy and flowers for sentimental mothers who love such attentions from sons and daughters — especially from sons.

But Mother's Day on May 10th of this year will intensify through poignant memories the heartaches of many California mothers — 200 of them in the Salinas area alone — whose sons are missing somewhere in Bataan. And it will be a sorry day of separation and apprehension for millions of mothers whose sons are on other fronts overseas, on ships, flying planes, or in training at the great home bases and camps.

Always the flag is displayed on Mother's Day. But this year it is eminently fitting that every flag in this broad land be flown in tribute to the mothers of sons who are fighting and dying to keep that flag flying high and free. To a mother who had lost her sons in the Civil War, Abraham Lincoln wrote: "I cannot refrain from tendering you the consolation that may be found in the thanks of the Republic they died to save. I pray that our Heavenly Father may assuage the anguish of your bereavement, and leave you only the cherished memory of the loved and lost, and the solemn pride that must be yours to have laid so costly a sacrifice upon the altar of freedom." Through display of the national emblem, America may bespeak like gratitude to the mothers of this day whose sons must die for freedom and to the mothers whose sons will be spared to return home.

His modes declare the beauty of holiness, and His manifold wisdom shines through the visible world in glimpses of the eternal verities. — Mary Baker Eddy.

COLLEGES TRAINING STUDENTS FOR THE ARMED FORCES

Our Western colleges are now operating on a continuous twelve months' basis to prepare our youth along some special line before entering upon national service.

The young man, for example, who enters college this summer and who continues without the usual summer vacations, will, in most cases, be able to earn his degree before being called to military service. The colleges will be able, while these young people are in attendance, to locate for the government those with special abilities, and they will advise students as to those fields in which they will be most useful in the war.

At the same time, the young people will receive physical training, may take certain technical courses to fit them for specific tasks, and, through other courses, be oriented as regards the historical setting and political and moral principles of the war.

In several institutions they can also take military training in the Reserve Officers' Training Corps and be eligible for the commission of Second Lieutenant; others may join the United States Navy, take the V-7 course, and be ready on graduation for the naval officers' training schools.

Some of the foregoing points apply to the training of young women for civilian defense activities, and, of course, apply to the junior college graduate who wishes to obtain the Bachelor's degree as soon as possible.

In modern warfare, the technically trained man is indispensable. The country needs these men soon, not a year or so after the war is over. The war will not be won this summer on our beaches and lakes, but in the classrooms and training camps and on the fields of battle.

The soul, by an insinct stronger than reason, ever associates beauty with truth. — Tuckerman.

TAXATION WITHOUT NEED IS MERELY ROBBERY

(The Hayward Journal)

Recently, thousands of people filed tax returns. Thousands of business houses also filed sales tax returns. Both will take out of the pockets of these thousands vast amounts of money, which, incidentally, the state does not entirely need.

Both the income tax and the state sales tax were based on the years of depression. As such they served a useful purpose and can still serve a useful purpose in so far as the needs of the state are concerned. But the needs are not as great. The money which is coming out of the pockets of rich and poor alike is not needed for essentials. It is going toward the building of an unnecessary reserve at a time when the taxpayer is digging deep to cope with the problem of Federal taxation.

As things stand there is nothing to be done about it. The income tax law and the sales tax, and all of the other taxation measures are on our legal books and must be enforced as such.

But the governor, if he chooses, can call a special session of the legislature for the express purpose of amending those laws to bring them in harmony with existing conditions. There is no move, however, in that direction and Californians will continue to pay, both the state taxes which are not altogether needed, plus higher and higher Federal taxes which are needed.

It would seem just plain horse sense to eliminate taxes which are not necessary. It is good government to give the people such relief as may be possible just as it seems good government to impose heavy taxes when they are needed. But then, in this state, there has been little sense in most things for quite a long time.

The fountain of beauty is the heart, and every generous thought illustrates the walls of your chamber. — Quarles.

"KEEP IT UNDER 40"

The motorist who holds his speed down to 40 miles an hour or less is taking the wise course of accepting the worst from the standpoint of the tire outlook, while hoping for the best.

The best may yet turn out to be a great deal better than the present dubious indications. American resourcefulness should be able to find a way out of the rubber predicament. The importance of the automobile to our national wartime efficiency is such that no doubt every effort will be made to "Keep 'em Rolling."

Meanwhile the motorist who keeps down to 40 is not gambling on how soon a solution to the rubber situation will be found. He is not blindly "taking a chance." He is extending the life of his tires to the limit that essential use of his car permits.

"Keep It Under Forty—Drive For Victory," is the slogan of a campaign being conducted by the California State Automobile Association, California State Chamber of Commerce, California Newspapers Publishers Association, Automobile Club of Southern California, and numerous other groups. That slogan expresses plain common sense which should appeal to every prudent and patriotic motorist.

Besides wartime conservation of rubber, gasoline, oil, and of the car itself, driving at moderate speed means money in the pocket. Actual tests with various cars, drivers, and driving conditions have shown that the average operating cost per 1000 miles at 65 miles per hour is about double the cost at 35 m.p.h.

At 35, the average use of gasoline for the 1000 miles is 53 gallons; at 65 miles, 78 gallons.

Double the oil is used at the higher speed.

Tires wear out twice as fast at the higher speed.

Depreciation and maintenance cost on a car habitually driven at 65 miles is nearly double the cost of a car driven at 45 miles, and more than three times the cost of a car held down to 25 miles.

Beauty is but the sensible image of the Infinite. Like truth and justice it lives within us; like virtue and the moral law it is a companion of the soul. — Bancroft.

VIEWS & OBSERVATIONS
By The Editor

* * *

WHEN THE February 16 draft registrants are called into service next month The Township Register will contribute its fourth employee to Uncle Sam's service!

Willis Myrick, who worked part-time after school and Saturdays was the first to go when he volunteered for the National Guard even before it was federalized.

Gilbert Wright, full time printer-operator who was on the job here when the business changed hands in May 1940, was released to the Navy in June of last year. He has finished his training and is now stationed with the blimp service at Moffett Field.

Paul Tatarian of Dinuba, who worked here full time for three months last summer left in August of last year for work in an airplane factory near Burbank, where he is still employed.

Harold Kleinsasser, who has been half of the "Printer Brothers" at The Township Register since September of last year, has a high draft order number and expects to receive his orders next month.

Which will leave "Brother Walt" to carry on for a time . . until Uncle Sam catches up with him, too. (Looks like "the boss" will have to learn how to run the linotype himself?)

—ww—

THE HEINIES do not like having their cities bombed from the skies. They propositioned the British last week to quit bombing German cities and the nazis would quit bombing British cities.

As the British have only "scratched the surface" of Germany, compared to what the British have taken from the Germans, and the British have spent 2½ years building up their air force to the point where they could make the enemy holler for mercy, the "holler" now being received is distinctly sweet sounding to British ears.

There will be no mercy shown to the nazis, nor to the Jappies, so far as that goes, until their home countries are much worse hurt than were Poland, Czecho-Slovakia, Coventry, London, Singapore, Manila, and so on through a long list of merciless and hellish violations of civilized warfare.

Revenge is sweet and our days of revenge are nearly here.

—ww—

WHY DOES the country printer have to "hold the sack" for from 30 to 60 and even 90 days while concerns enjoy the printing he has produced — before they pay him?

The printers who performed the work received their pay in cash on the Saturday of the week the work was printed. The paper stock on which the job was printed was paid for and put into stock long before the order was even reecived. The printer has probably bought and paid for new stock to make up for that used by the customer, while he still waits for his money.

The power company, the telephone company, the landlord, the state sales tax bills have all been paid the day they are presented . . still the printer waits for reimbursement — and hopes his account at the bank is not overdrawn!

When you take a train, boat or bus ride you pay for your trip before you take it. When you go to a show you pay for your seat before you sit in it.

It will be a happy day when the printer can get paid for his goods and services when the finished product is delivered.

Somehow, the country printer, like the country doctor, lawyer and grocer is a "good fellow", known to everybody, who gets paid when the patient, client or customer "gets around to it".

Just what do country businessmen use for money while they are waiting for their customer-friends to "get around to it?"

Be it said some few (but too few) patient-client-customers pull out their check book and pay right now, before they leave your office.

These are the good folks who keep out of debt by paying as they go. Their antitheses are those who are never out of debt, because they don't care.

Which class do you belong to, Brother?

—ww—

COFFEE IS exported to the United States from Central and South American countries under a quota system, that is, so many tons per year from each country. As the export quotas are below the total productions of the various countries, unmarketed coffee is accumulating in many of our neighbor countries.

On our side of the picture report has it coffee may be the next staple to be rationed to stores, restaurants and the public.

Wouldn't common sense direct these binding quotas be suspended for the duration? And that Latin American countries be permitted to send us all the coffee they produce, which we want and can pay for?

Or do we just HAVE to be rationed? And if so, Why? When there's a surplus of coffee to the south and we are able to pay for all we want of it?

Washington please note!

—ww—

MANY LARGE communities are now conducting "Salvage for Victory" drives with the catchy slogan: "Do you want to GET IN THE SCRAP?"

And that's pretty good!

—ww—

DID YOU know that the population of Vallejo, our great upper bay industrial center, has increased SIX TIMES since 1928? No wonder the government had to step in and assist with the civilian housing problem!

—ww—

HITLER'S Generals tell him to snap out of his "conquest by dreams" method and start fighting along known military lines. They warn that if he does not have successes in Russia this summer they will take over and put an end to naziism!

Now aint dat sumpin? If they do take over, they wont have much more military success than Adolph. The "dream of conquest" has popped for the German soldier and he is tired of fighting for a glory that only exists in Hitler's and Goering's heads.

The Germans are going to get licked decisively and the British and American flags are going to fly in Berlin this time before We, the United Nations will even talk peace.

Never again shall the Prussian military vermin be permitted to upset the peace of the world.

And how is your sugar ration today?

—ww—

THE REBER plan, a costly project for eliminating the mud flats from all boundaries of San Francisco Bay, while providing good beaches, swimming and fishing on all its shores, is not doing so well.

Army and Navy authorities recently tromped it down, plus the Oakland City Council and the Alameda County Board of Supervisors, saying it was too visionary and costly.

Thirty years ago our best engineers said the Golden Gate could never be bridged, because the tide was too swift to enable footings to be established. The dream of a San Francisco-Oakland bridge was also scratched off as unfeasible and too costly.

Well, time do move and "experts" do change their minds; and the Reber Plan has a lot of good points with only a very few drawbacks. Mr. Reber has been at it for 25 years. Perhaps in another 25 years. . . ?

— ww —

BUT DEFINITELY! Cars are being driven much, much slower. Your scribe drove to Oakland Tuesday afternoon at an even 35 mile an hour pace and — believe it or not — passed many fine cars being driven at 30 miles an hour or even 25. The drivers seemed to have a virtuous expression on their faces and actually seemed enjoying driving through the lovely spring afternoon.

Some contrast with six months ago when the bigger the car the faster it went; everybody in a hurry to get there first, all nerves stretched taut as fiddle strings. Folks are discovering that driving a fine car is a pleasure and an increasing luxury.

Also on the credit side of the ledger one hears traffic deaths in California are down one-third from last year's terrible record. Which is another argument in favor of sane driving.

Captain Eike reports daytime traffic in Alameda County is off one-third as compared to six months ago; and night driving has been reduced one-half. This is all to the good and proves folks are starting to use their heads to save their tires.

I'm willing to bet Yankee ingenuity will crack the rubber bottleneck before this year is out. Henry Ford is already at work on a specially toughened, all-fabric, non-rubber tire which is standing up under tests. And while we wait a flat tire becomes a neighborhood calamity!

Canadian Tanks in Mass Production

MASS produced in the Angus Shops in Montreal, these infantry tanks have trundled off the assembly line and are being fitted with a powerful 2-pounder machine gun, flame thrower and other equipment. Consisting of 40,000 separate parts and costing about $90,000 each, these Valentines weigh around 20 tons and have a top speed of 25 miles per hour. More than 3,500 men are employed in their construction at the plant. The factory runs 24 hours a day—6 days a week. "Valentine" is now the correct designation of this type of infantry tank. Canada has sent many of these to Russia. A second plant in Canada is now turning out many tanks of a heavier type daily.

(School Code, Sec. 2.873)

Notice is hereby given to the Electors of Niles Elementary School District of Alameda County, California, that the Annual Election for school trustees for Niles Elementary School District will be held at the Niles Elementary Schoolhouse in said district on the third Friday in May, viz.: MAY 15, 1942.

It will be necessary to elect one trustee for three years.

The polls will be open between the hours of 9 o'clock a. m. and 7 o'clock p. m.

The officers appointed to conduct the election are:
Mrs. Emma Alves, Inspector
Mrs. Annie Dutra, Judge
Mrs. Lillie Burr, Judge.
Dated April 14, 1942.

(A description of the boundaries of this Precinct is on file in the office of the principal of the Niles Elementary school.)

Signed:
JOE D. GOMES, Clerk
Niles Elementary School District
Published in The Township Register April 24, May 1, 8, 1942.

PUBLIC (LEGAL) NOTICE

NOTICE OF ELECTION FOR HIGH SCHOOL TRUSTEE
(School Code, Sect. 2.873)

Notice is hereby given to the electors of Washington Union High School District of Alameda County that the annual election for School Trustees for Washington Union High School will be held at the schoolhouses of the various elementary school districts comprising the Washington Union High School District on the third Friday of May, viz, May 15, 1942.

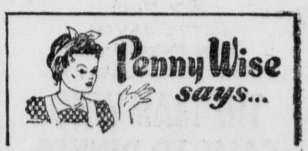
It will be necessary to elect one (1) trustee-at-large for a three (3) year term.

The hours the polls will be open will be from 9:00 a. m. to 7 p. m.

The officers appointed to conduct the election will be the same as the officers appointed by each Elementary School District comprising the Washington Union High School District.

Dated: April 14, 1942.
Signed: H. F. Harrold,
Clerk of the Board of Trustees of the Washington Union High School District of Alameda County
Published in The Township Register, Niles, April 24, May 1, 8, 1942.

San Franciscans are discussing changing the name of famed Union Square to "MacArthur Square."



"Every wasted penny adds to Hitler's bank book"

NEVER walk away from the refrigerator without closing the door. Leaving the door ajar wastes either ice, electricity, or gas—and does the food no good! Even if you'll need to open it again soon—shut the door!

Those pennies you'll save will bring your family and your country added security if invested in U. S. SAVINGS STAMPS AND BONDS!

ROTARY HEARS ACHIEVEMENTS OF WUHS STUDENTS

CENTERVILLE — Niles Rotary club members, their "Anns" and invited guests enjoyed a bang-up luncheon last Thursday noon served in the high school cafeteria here with District Superintendent A. J. Rathbone in charge. Evening High Principal Barton Webb served as master-of-ceremonies, and E. A. Quaresma presided for Rotary.

High school guests included Vice Principal J. V. Goold, Mrs. Josephine Morris who's home economics girls served the fine repast; Miss Grace Knoles; Harry Konda, past president of the Japanese-American Citizenship League, Mrs. Gladys Williamson and Mr. and Mrs. Walter Waynflete.

The high school orchestra played during the meal with elan and emphasis. Mr. Webb, speaking for the night school announced 14 classes had been or were being conducted on home nursing, six on first aid and one on ambulance driving, financed by both federal and state funds. The high school had given 25 young men to the ship building industry, he said.

Being Public Schools week the program was turned over to Walter Texeira, a student who introduced a boys trio who sang three popular army songs, followed by several numbers sung by a girls' sextette.

Miss Marjorie Jason gave a fine address on the school's participation in the war effort, saying the Junior Red Cross had reorganized an emergency kitchen which could feed 800 persons per hour, was participating in home nursing classes with 145 junior and senior girls signed up. Their salvage-for-victory campaign had yielded many shoes, books and $115 in cash she said.

Melvin Leal then spoke on the Victory Corps to provide farm labor; the part the boys were taking in first aid and fire fighting, saying Washington High had organized a fire brigade of 20 boys who receive an hour's instruction daily.

Hundreds of boys were raising Victory Gardens he said, and were experimenting with the culture of anise and caraway seeds, as the import of these products had been cut off by the war. The high school boys are also helping to repair and maintain farm machinery, he said.

Elliott Dardean then spoke on the importance of airplane models which helped pilots and others to learn to identify any plane by its silhouette. He said 28 boys were working in the machine shop classes learning trades which will equip them to go to work in shipyards or elsewhere when they graduate.

The sale of war stamps at the school and participation in the Victory dances held every Thursday noon had already brought in the sum of $1,351.20 as part of the student body's war effort, he finished.

Rotarian George Smith of Decoto led the group singing which began and ended this interesting event, which provided corsages for the ladies and tables attractively decorated in spring flowers. Some 40 persons enjoyed the luncheon.

NILES P. T. A. "OPEN HOUSE" WELL ATTENDED

During Public Schools Week it has been the custom of the Niles P. T. A. to hold "open house" at the school one afternoon during the week, according to the President, Mrs. Fred Duffie. This year it was held Thursday of last week and a gratifying number of parents and friends dropped into inspect the work of the children exhibited in the different classrooms and to enjoy tea and cookies.

Piano selections were played throughout the afternoon by Miss Eldora Perry and vocal selections were sung by Barbara Rinehart, Shirley Butler, Pauline Nickus and Nathan Oliveira.

Attractive flower arrangements were made by Mrs. George C. Roeding Jr. and Mrs. Leona Rathbone.

Those ladies taking part were Mrs. E. E. Dias, Mrs. Harvey Braun, Mrs. George Karel. Miss Keller was general chairman for the event, assisted by Mrs. Katharine Parry, Barbara Re, Winifred Pereira, June and Jean Menzies, Thelma Biale, Oma Riddle, Patricia Owen, Patricia Mohn, Vivian Maciel, Ronald Oliver and Richard Brunelli. An interested visitor was Miss Louise Inglis, a former teacher who spent the day visiting friends. County Superintendent Muller also dropped in.

S. F. TO STAGE PARADE MAY 10

SAN FRANCISCO — San Francisco, be-decked with flags, will be the gala scene of another huge patriotic parade, Sunday, May 10, Mother's Day. In homage to "Mother's Day", special places of honor will be given Gold Star mothers of World Wars I and II. Special places will also be given American racial groups from other lands.

Mrs. Anna Bradford attended a family picnic at her cousins in Westly last Sunday.

FIGHTING MAD! A WICKED WEAPON.—The new trench mortar, illustrated above, operated by infantrymen is one of the most effective weapons of the ground forces. American soldiers have proved their skill and endurance in handling this wicked shooter in close range conflict.

SOFTBALL CLUBS PRACTICING FOR SEASON OPENING

NEWARK — The softball park at the High School grounds in Centerville will open Friday evening, May 15, while the Washington Township Softball league will commence play Monday evening, May 18 at 7:30 p. m.

The league will consist this season of seven clubs instead of eleven as in 1941. Although the softball schedule has not been drawn up yet league games will be played three nights per week on Monday, Wednesday and Friday.

Playoff games this season will consist of a three game series played by the first and third teams and the second and fourth teams in the league standings at the close of the season, probably sometime in July. The two winners of each of these series will play a five game series for the championship of the league.

Following are the clubs which will participate in this season's league with a record of wins and losses for the 1941 season: Native Sons with 19 wins and 1 loss; Occidental, 17 wins, 3 losses; Knights of Columbus, 15 wins, 5 losses; Westvaco, 13 wins, 7 losses; and Wedgewood, Central Chevrolet, and Woodmen of the World with 8 wins and 12 losses each.

The Softball Association consists of Albert Silveria, now in the U. S. Army, president Louis Amaral, vice president; Ernest Pimentel, secretary; Joe Machado treasurer; Matt Whitfield, Fred Rogers, Fred Muller, E. Dixon Bristow, and Louis Amaral, advisory board.

Louis Amaral will act as president in the absence of Silveria, and Kenny Ferry will act as field manager.

While waiting for the opening of the league, the teams have wasted no time in getting into shape. At the Westvaco, Occidental, and Wedgewood industrial plants, the players have been practicing during their lunch hours. Recently Westvaco nosed out Central Chevrolet 8 to 7 in a practice game at the high school grounds.

This season softball fans will find many changes and many new faces in several of the softball clubs such as: Kenny Ferry who is no longer the spark plug for the Native Sons team, but will be field manager for the league; Scrappy Joe Dutra, third baseman of the Native Sons is now the new manager, and is hoping his club will be among the first clubs at the close of the season in order to participate in the playoffs.

B. Pine will be the new manager for Woodmen of the World to replace Artie Duarte, manager of the Woodmen in 1941. Occidental boasts this season of their new catcher, Tony Rivers. The Westvaco team of Newark seems to have strengthened their ball club considerably even after nearly defeating the Native Sons in the playoffs last season. Westvaco has a new first baseman, Stanley Roderick, formerly with the United States Navy: Richard Sarmento, a young prospect; and three new ball players from the main office department: Carl Martin, Vernon Cuneo, and Ralph Chapman. Chapman in baseball many years ago was given a trial with the Los Angeles Club in the Pacific Coast league.

Due to present working conditions as in the case of working overtime, or an employee arriving home later because of a rotating shift, there may be instances this season when a ball club will not be able to place ten players on the field until a few minutes after the game has started. In order to protect this situation and not to have numerous games forfeited before actual play has taken place the new ruling is that a team will be allowed to play the first two innings of a game with nine players, without forfeiting the game up to that stage of the game only.

EXERCISES OPEN NEW LIBRARY SITE AT THE MISSION

MISSION — The Mission San Jose Branch of the Alameda County Library held Open House in its new quarters in the Solon Building on Wednesday, May 6, at eight o'clock. The public was invited.

There was a program of music and brief talks by Mr.E. B. Hodges, Principal of the School, by Miss Abbie Sunderer and other pioneer residents. Mrs. Dorothy Roberts, County Librarian, and and others from the County Library Headquarters in Oakland attended.

Mrs. Josephine Fernandez has been in charge of the Library since the death of Dr. Theodore Nichols last February. The library moved to the new location on April 29.

THREE NILES CHURCH MEMBERS SUSTAIN HURTS

Three members of the Niles Congregational Church have suffered injuries during the past few weeks. The Pastor, Reverend Richard Day sustained a superficially burned left hand two weeks ago when a furnace he was lighting flared up. He has been under Dr. Buehler's care and the injured member is about healed.

About the same time Charles Middleton, building caretaker broke his arm when he became involved with a truck and it will be a month or more before he can resume his duties. Members of the board are "pinch hitting" for him on Saturday afternoons.

Jack Myers, who's wife is secretary of the cabinet, has been suffering from recurrence of lead poisoning. He had been resting at his home in Niles Canyon since his release from the State Guard several months ago. A week ago Monday he underwent an operation.

BOARD GRANTS 22 APPLICATIONS

CENTERVILLE — Twenty-two applications for tires and tubes were granted by the Washington Township rationing board last week, including four new passenger tubes, 27 passenger re-capped tires, 11 new truck tires, nine truck tubes and 13 truck recapped tires.

Those granted purchase certificates are Willard H. Walker, Gerald P. Dutra, defense workers of Centerville; Jose C. Valenzuela, Byon O. Justus, Charles T. Wilson, defense workers, Zwissig Brothers dairy and Charles Sebree, truck driver all of Decoto; Charles Schelbert, Aniceto Rocha farmers; John G. Novo and Fred Boyce, defense workers, and Leslie Salt Co., all of Newark; Augustine Williams, Mission San Jose farmer; Roy E. Canright, Joseph C. Leal, defense workers and Joseph S. Costa Jr., dairyman, all of Irvington; Howard A. Keltner, defense worker; Joseph Ferry, farmer and feed dealer; Sanitary Dairy, Sanchez Brothers, commission merchant; Antonio M. Borba, dairyman, all of Niles.

Mrs. Jack Pearson of Niles is spending this week with her parents at Oakdale.

APRICOT GROWERS AWAIT WORD OF CROP DISPOSITION

CENTERVILLE — Definite decisions as to drying or canning California's 1942 apricot crop, estimated at 224,000 tons, is being held up pending word from Uncle Sam as to how much he wants for the armed forces and for Lend-Lease.

This was the message speakers brought to more than 200 members and friends of the Berryessa Prune and Apricot Association here this week.

While canners have been told by the WPB to can only the equivalent of 75 per cent of the 1940 crop for civilian consumption there has been no indication as to the extent of Government needs for either canned or dried fruit. Upon this information hinges plans for labor and equipment needed by growers. Price is also still a question mark.

Discussing these matters were Frank M. Shay, president of the California Prune and Apricot Growers' Association; W. S. Rice, manager of the field department, and C. D. Cavallaro, general manager.

Officers elected at the Annual dinner meeting, held at Washington Union High school, are: M. J. Bernardo of Centerville, president; Joe Battaglia of San Jose, vice-president; Harry G. Mitchell of San Jose, secretary and central representative, and Directors Bernardo, Manuel Almeida, Manuel Oliveira and W. J. Furtado of Alameda County and A. M. Foster, E. E. Blackburn, Battaglia and E. W. Mather of Santa Clara County.

ENGINEER LOANED TO U. S. ARSENAL

DECOTO — H. F. Harrold, well known member of a pioneer Alameda County family, and a trustee both of Washington Union High school and the Decoto Grammar school boards has been "loaned" to the Army. An employee of the Southern Pacific Company for the past 23 years, until recently assistant engineer of the western division, he has assumed his duties as senior executive officer at the Benicia Arsenal.

The appointment was made by request of the commanding officer at the Arsenal, and is for the duration.
